Docket No. 5759 dated 4th November 1903 from the Superintending Engineer Eastern Circle, to the Chief Engineer of Mysore.

Chief Engineer's No. 871 of 18th February 1902, calling for a revised project amounting to Rs 6894/- for constructing a Town Hall at Davanagere.

With reference to the above has the honor to forward a modified project amounting to Rs 6978 or Rupees 84 in excess of the amount noted in the reference quoted above. If it is considered necessary that the amount of the Estimate should be the same as intimated a corresponding reduction can be made in the provision for "Contingencies".

2. The site first selected was private property on a reference to the Deputy Commissioner to intimate the amount of compensation to be paid for the land to be acquired that officer selected another site which being Government property does not require payment of compensation. The revised site plan countersigned by the Deputy Commissioner accompanies

3. The work marked red on the plan is not included

included in the present estimate as its cost exceeds the limit fixed by Government. It may however be carried out when funds for the same are forthcoming

4. The report attached to the estimate explains all the necessary points.

5. It is not known how this work has to be carried and accordingly the question of providing for establishment and tools and plant has not been taken into consideration in preparing the project. In case the P.W.D is to execute it the usual charges might be waived as a special case.

6. The delay has been due to non-receipt of reply re site in spite of several reminders
